The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

In Loving Memory

ACTIONS SPEAK LOUDER THAN WORDS

Indeed, actions often do speak louder than words. In fact, the actions of Jason Finne, MIchelle Day, Patrick Dore,and especially Jen DiBenedetto in putting this yearbook together speak volumes. Thanks for a job well done.

The 1994-1995 Girls Varsity Volleyball Team finished with a great season led by Senior Captain Leah Belazarian. Although their number of wins was low, this year's team definitely had the most spirit the volleyball team has seen for years.

The Millbury Girls Varsity Soccer Team struggled for a record of five wins and thirteen losses with a competitive schedule. It was also a rebuilding season since the team lost many starters the year before. Leading the team were captains Becky Aubin, Michelle Day,and Kelly Donovan, along with Senior Melissa Huson, Jen O'Connell, and Nicole Notidis. Though the team did not reach any District play, Seniors Becky Aubin and Kelly Donovan represented Millbury at the Senior Bowl at WPI. This year's Seniors would like to wish the best of luck to next year's team!

The 1994 Millbury Football Team was one which the town had great expectations for after the 1993 Superbowl Season.

The team was led by four Senior captains: Leo Turner, Jason Finne, Jeff Perry, and Chris Mayer, who were given the task of leading Gonyea's boys into another successful season. They were aided by a group of Seniors with the will to win. The rest of the team was comprised of a few Juniors, and Sophomores, and this proved to be the Woolie's Folly. Inexperience and lack of depth hurt the team, but even in lieu of these conditions, the 1994 team possessed enough desire to put together a 5-5 team.

The 1994 team was a group of gritty, full-hearted, players who would never say die.

The girls varsity basketball team had a rough season winning only one game against Weston that won them second place in their third annual Christmas Watertown Tournament.

This year was definitely a rebuilding one with Co-Captains, Senior Michelle Day and junior Becky Nault leading the teams fighting efforts to never give up. Some games remain "Fuzzy" in all of their minds, yet others stand out as personal and team accomplishments. One thing is for sure, no team ever had more laughs or tears than this one.

The next couple of years look to be more successful with a group of strong freshmen already on the varsity level.

At the beginning of the 1995 Baseball season it looked as though it was going to be a rebuilding year. The team was led by three senior captains, Mark Valis, Luke Gawronski, and Jason Finne. Although they had lost ten seniors from the previous year they were helped by the rookie bats of John Caron, Joe Yaskis and Nick Nason. The team finished second in the SWCL and gained the sixth seat of the Division 3 District Playoffs.

The boy's spring track team struggled with small numbers this year, but still improved on their record over last year. Mike Capurso was a stand out in both the 110 and 330 hurdles and Eric LaForte turned in consistent performances in the 100 and 220 dashes. Mike finished fourth at the District meet in the 110 hurdles. Leo Turner was a District Champion in the discus. While bothered by shoulder injury, he continued to improve all season and missed the school record in the discus by half an inch. Seniors Leo Turner, Matt Lee and Paul Raffa used their experience to help the younger members of the team improve and will be missed.

The girls spring track team had a successful season, suffering only two losses. A large growth in team members doubled the size of the team and helped in this success. The team enjoyed consistent performances from all members, and found strength in a number of underclassmen. Sarah Nason, Regina Rochefort, and others provided leadership in the sprints, while upper classmen supplied the power in the distance events. The relay team of Wendy Magnuson, Chris Roy, Barbara Young, and Erin Dromgoole set a district record in the distance medley, a school record in the 4 X 880, and ran in the state meet. Erin Dromgoole set a school record in the 2 mile and was 11th at the New England meet.

In it's second year, Millbury High Golf team had a big improvement over last season finishing with a 6-7-1 record over all and narrowly missing district qualification. They were lead by two seniors, Jeremy Girouard and Davis Grybowski and Junior Kevin Bekier.

The remaining team members 5 sophomores, a junior and a 7th grader, make it a team with a future.
